

Medicine Wheel

Chorus I:

Will we see?
Will we feel?
See man's world
It's not real
Will we share?
Our true worth
Face the music
Free the Earth

Chorus II:

Will we hear?
Nature's cry
Claim your soul
From the sky
Will we give?
All we can
Walk Wakan's wheel
Heal the land

Verse I:

Stand for the earth
Stand for the sea
Stand for the bond
Between you and me
Stand for your peace
Stand for your rights
Stand for the wheel
Great medicine
For all life

Verse II:

Stand for your love
Stand for your faith
Stand for the vow
We all have made
Stand for your tribe
Stand for your kin
Stand for the fire
We must kindle
From within

Chorus III:

Will we wake?
Will we stand?
Free the fists
From our hands
Will we free?
Mother Earth
Face your wisdom
Free the Earth
