

Afterglow

Verse I:

The Sun has set on our day
Love's bright colors fade away
Beyond all wisdom darkness grows
Our fears captured in the afterglow
in the afterglow

Chorus:

Give me a moment to clear my eyes
Give me a moment to cleanse my lies
Give me a moment to catch my breath
Give me a moment to cheat this death
Give me a moment to speak my truth
Just to prove the love I am to you

Verse III:

With forgiveness there is freedom
In kindness there is wisdom
Yet this fire rages in my mind
Broken words blaze deaf and blind
deaf and blind

Verse V:

The Sun has set on my day
Love's bright colors fade away
Beyond all wisdom darkness grows
My fears captured in the afterglow
in the afterglow

Verse II:

An icy wind amid my tears
Beckons my mind from my fears
Alone with life my heart sees
The truth I lost inside of me
Inside of me

Verse IV:

Our dream was real this I know
the space between us starts to grow
Our ebbs and flows touch your eyes
As the final flames begin to die
begin to die
