

Lakshmi Pt. I:

Verse I:

In the evening
She dances in light for me
Music kindles
And follows her flight to me

Chorus:

Carry me further
Beyond my desire to be
Reveal the real
To be only fantasy
Show me the rhythm
To see what I'm meant to see
Music will heal
A cure to set us free

Verse III:

Lakshmi beckons
Her mystery sings with me
Ancient motions
Born from the soul of me

The Rhythm of Light

Verse II:

Darkness brightens
Her eyes light the fire in me
Rhythm heightens
The heart of her fire breaks free

Verse IV:

She brings heaven
Her smile is all I see
Grace and wisdom
The light of her wealth to be
