

Break the Spell

Verse I:

Can't you see?
Don't you know?
All that you are
is all that you show
See the sight
Know the light
You are all
that you know to be right

Chorus I:

Who knows the way?
I could not say
Who broke the well?
Too close to tell
All we wanted
All we needed
Is to ring that bell

Verse III:

Would you mind?
Can you feel?
What is real
beyond what is real
Mind the day
Feel the way
This day is all
there is to weigh

Verse II:

Won't you lend?
Could you spare?
A bit of all
that there is to share
Lend your due
Spare a few
This is all
that I will ask of you

Chorus II:

Where are we now?
I will not bow
The sands all fell
Too close to hell
All we wanted
All we needed
Is to break this spell

Verse IV:

Could you bear?
May I tell?
The lonely fate
of the broken bell
Bear its ring
Tell the King
The only tale now
that there is to sing
